

Bryan Rios, DVM

Diagnostic Imaging

Dr. Bryan Rios received his bachelor's degree in Wildlife Management from the University of Puerto Rico, followed by his Doctorate of Veterinary Medicine in 2021 from Ross University School of Veterinary Medicine in St. Kitts. Upon graduating, he completed a small animal rotating internship at VCA Veterinary Care Animal Hospital and Referral Center in Albuquerque, New Mexico. He then joined Gulf Coast Veterinary Specialists where he completed a Diagnostic Imaging specialty internship in 2023 and began his Diagnostic Imaging Residency in July of 2024. Outside of work, Dr. Rios enjoys watching anime, axe throwing, gardening, and spending time with his wife and daughter. His family in Puerto Rico cares for his two dogs, Bambi and Nala, and two cats, Casper and Lina.
