

Eryn Del Monte, DVM, DACVR

Diagnostic Imaging, Telemedicine

Dr. Eryn Del Monte received her Bachelor's and Doctorate of Veterinary Medicine from Colorado State University. She then went on to complete an equine medicine and surgery internship at Equine Medical Center of Ocala and a small animal medicine and surgery internship at VCA Sacramento Veterinary Referral Center before joining the GCVS Diagnostic Imaging team in 2020. She finished her Diagnostic Imaging Residency at GCVS in July of 2024 and became board-certified by the American Board of Veterinary Radiology in October 2024. Dr. Del Monte enjoys all imaging modalities but has a special interest in advanced cross-sectional imaging (CT & MRI) and imaging of exotic species.

Outside of the hospital, Dr. Del Monte enjoys backcountry backpacking, wine-tasting, pickleball, and hiking with her husband and wire-haired Terrier mix, Peebs.
