

Jason M. Jucker, DVM, MS

Emergency & Critical Care

Dr. Jason Michael Jucker combines a strong academic foundation with hands-on experience to deliver exceptional care in the Emergency Department at Gulf Coast Veterinary Specialists. He earned both his Bachelor's and Master's degrees in Biomedical Sciences from Texas A&M University before pursuing his Doctor of Veterinary Medicine at The Ohio State University College of Veterinary Medicine, graduating in 2021.

During his time at Ohio State, Dr. Jucker gained invaluable experience working in the university's Veterinary Medical Center's intensive care unit, where he honed his skills in managing critically ill patients. After earning his DVM, he completed a rigorous small animal rotating internship at the Cummings School of Veterinary Medicine at Tufts University, further sharpening his expertise in emergency and specialty care.

Dr. Jucker joined the GCVS Emergency Department in 2022, where his dedication and advanced training make a significant impact in providing life-saving care to pets in need.
