

Young Cho, DVM

Diagnostic Imaging

Dr. Young Cho received his bachelor's degree in Environmental Science from the University of California, Santa Barbara, followed by his Doctorate in Veterinary Medicine from Louisiana State University in 2023. Upon graduating, he moved to Houston to complete a 1-year small animal rotating internship with GCVS before starting a Diagnostic Imaging Residency in July of 2024. Outside of work, Dr. Cho enjoys playing sports (namely tennis and basketball), exploring the outdoors, cooking and trying new food, playing guitar, growing plants, and spending time with his partner (Sam) and his very talkative orange cat (Shrimp).
